6.Is there a deadline by when this referral needs to be considered by the Academic Senate?
Yes

7.Deadline Date:
3/13/2026

8.Justification for deadline:
Right now, only one blended program exists. We anticipate 10+ more to be proposed in the AY 25-26 curriculum cycle. We would like this policy in place in the 26-27 catalog.

9.Background:
Policy 1121 in the Academic Manual governs “Blended Programs,” programs that combine a bachelor’s and master’s degree into a single integrated whole. These programs are often referred to as “4+1” programs. This policy was enacted via Academic Senate report AS 2857-190-AP and revised via Senate report AP-004-234.

Since the enactment of these policies, nine programs have initiated proposals to implement blended programs, with the first going live in Fall 2025. As these programs were built and workflow established for launch, representatives from the Offices of Financial Aid, the Registrar, Student Success, Graduate Studies, and Undergraduate Studies ask to make a simple revision to the Blended Program proposal.
