DEAN'S RESPONSE TO ABBREVIATED PROGRAM REVIEW
All ABET-Accredited Undergraduate Engineering Programs
College of Engineering

The purpose of the Dean's Response is to highlight the strengths and opportunities within the program, aiding the prioritization of the program's action plan. It allows the dean to offer support to the program, identify common interests across programs within the college and Cal Poly Pomona, and connect relevant resources on- and off-campus. Encapsulating these efforts helps align priorities for continuous improvement, and attempts to meet identified resource needs.
