

## **Music, B.M. - Pedagogy (Pre-credential) Subplan/Option**

**M. Program - Program Name Change/CSU Degree Program Code Change**

**INSTRUCTIONS - \*\*\*READ BEFORE YOU BEGIN\*\*\***

To ensure accurate reporting of each degree program, and because degree program (and option) titles and degree reporting codes are intricately linked, any change to these descriptors requires the review and approval from the CSU Chancellor's Office. More information/guidance on how to determine the appropriate CIP code for the program/curriculum can be found in [IPEDS CIP FAQ 2020](#).

The following fields are required for a **Program Name Change** proposal:

- a. Department
- b. Current Program Name
- c. Proposed Program Name
- d. Rationale for Proposed Name Change

## PROGRAM INFORMATION

**Department\***

Music

**Current Program Name \*** Music, B.M. - Pedagogy (Pre-credential) Subplan/Option

**Proposed Program Name** Music, B.M. - Music Education Pre-Credential Subplan/Option

**Rationale for Proposed Name Change**

This change is needed to better align with NASM (accreditor) terminology & expectations, and disciplinary convention; this will also improve recruitment, as the term "pedagogy" is less known.

Proposals for CSU degree program code changes must provide the current CSU degree program code and corresponding CIP code and the proposed CSU degree program code and corresponding CIP code. If an appropriate CSU code does not appear on the system-wide list at [https://www.calstate.edu/csu-system/administration/academic-and-student-affairs/academic-programs-innovations-and-faculty-development/Documents/CSU\\_Codes\\_to\\_CIP\\_2020.pdf](https://www.calstate.edu/csu-system/administration/academic-and-student-affairs/academic-programs-innovations-and-faculty-development/Documents/CSU_Codes_to_CIP_2020.pdf), you can search CIP 2010 at <http://nces.ed.gov/ipeds/cipcode/Default.aspx?y=55> to identify the code that best matches the degree program.

**Current CSU Degree Program and CIP Codes**

**Proposed CSU Degree Program and CIP Codes**

**Rationale for Proposed Code Change**

Proposals for program name/code changes must include a timetable for the retirement of the old name/code and the implementation of the new name/code.

**Implementation Timeline\***

We wish this to be effective for 2024-25, or at the latest 2025-26. Students have until Spring 2028 to graduate under the current option name.
