SUBJECT: Response to Senate Report AS-3053-234-AA: 2024-25 Academic
Calendar and Five-Year Projection

The Academic Senate recommended approval of the 2024-25 Academic Calendar and the Five-Year Projection Calendars. There will be both additions (for orientation and commencement) and possible adjustment of administrative dates. These calendar changes considered by the Academic Senate are in time to comply with the Chancellor's Office deadline in January and will be communicated when available.

I thank the Office of Academic Programs and the Academic Senate for their recommendation. I support Interim Provost Gomez, the Academic Senate, and the Office of Academic Programs to approve the 2024-25 Academic Calendar and the Five-Year Projection Calendars, and request that this report to be officially recorded.
