SUBJECT: Response to Senate Report AS-3175-256-AA: Correction to Cross Listing Policy 1122

The Academic Senate supports the recommendation of the correction to the Cross Listing Policy 1122. This report addresses conflicts that have arisen related to the staffing of cross-listed courses. Staffing courses are the purview of the academic department offering the course (per Article 20, section 20.2b). The requested correction is to eliminate the staffing line from line 2.2 of the cross-listing policy.

I thank the Office of Academic Programs and the Academic Senate for their recommendation. I support Provost Gomez, the Academic Senate, and the Office of Academic Programs with the approval of the correction to Cross Listing Policy 1122 and request that this report be officially recorded.
