SUBJECT: Response to Senate Report AS-3179-256-AP: M.S. in Sustainability and Regenerative Studies – (Program Name Change)

The Academic Senate recommends changing the program name from M.S. in Regenerative Studies to M.S. in Sustainability and Regenerative Studies. The name change will help with recruitment and align with the program's goals and professional opportunities in sustainability.

I thank the Office of Academic Programs and the Academic Senate for their recommendation. I support Provost Gomez, the Academic Senate, and the Office of Academic Programs in approving the Sustainability and Regenerative Studies program name change and request that this report be officially recorded.
