SUBJECT: Response to Senate Report AS-3141-256-AP: Program Review for BA in Philosophy

The Academic Senate has commended the Department of Philosophy for the effective operation of its academic programs. The Department's self-study thoroughly examined the program's core values, overall quality, and the sufficiency of faculty and administrative support. The review encompassed both the General Philosophy option and the Law and Society option.

I extend my appreciation to the Office of Academic Programs and the Academic Senate for their recommendation. I concur with Provost Gomez, the Academic Senate, and the Office of Academic Programs in endorsing the Program Review for the Bachelor of Arts in Philosophy, and I request that this report be formally entered into the official record.
