TITLE OF REFERRAL: MAT 1060 – Trigonometry (GE Sub-area B4)

BACKGROUND:

The Mathematics and Statistics Department is requesting to remove “Category III” from the list of pre-requisite requirements options for MAT 1060. MAT 1051 College Algebra Stretch is taken prior to MAT 1060 for Category III students to provide them with extra support. The Department has requested removing “Category III” from the list of pre-requisite requirements options for MAT 1060, since it is no longer an option for the course and Category III students are already taking MAT 1051 prior to MAT 1060.

RESOURCES CONSULTED:

Dr. Berit Givens, Chair, Mathematics and Statistics Department

DISCUSSION: The changes made do not affect the course’s ability to meet the GE Sub-area B4 requirements. No revisions of the ECO were requested.

RECOMMENDATION: The GE Committee unanimously recommends approval of MAT 1060 – Trigonometry (GE Sub-area B4).
