TITLE OF REFERRAL: MAT 1910 – Survey of Mathematics (GE Sub-area B4)

BACKGROUND:

The Mathematics and Statistics Department is requesting to remove “Category III” from the list of pre-requisite requirements options for MAT 1910. Category III students are required to take a co-requisite course, MAT 1910A Survey of Mathematics Activity, for additional support. The Department has requested removing “Category III” from the list of pre-requisite requirements options for MAT 1910, since it is no longer an option for the course and Category III students are already taking another co-requisite course.

RESOURCES CONSULTED:

Dr. Berit Givens, Chair, Mathematics and Statistics Department

DISCUSSION: The changes made do not affect the course’s ability to meet the GE Sub-area B4 requirements. No revisions of the ECO were requested.

RECOMMENDATION: The GE Committee unanimously recommends approval of MAT 1910 – Survey of Mathematics (GE Sub-area B4).
