TITLE OF REFERRAL: IGE 1100 – Who Am I?: Understanding Ourselves, Our Communities, and Our Worlds (GE Sub-areas A2 and C2)

**BACKGROUND:**

The Interdisciplinary General Education Program (IGE) is requesting to change the name of IGE 1100 from “Consciousness and Community” to “Who Am I?: Understanding Ourselves, Our Communities, and Our Worlds.” IGE has requested this change to facilitate enrollment.

**RESOURCES CONSULTED:**

Dr. Hilary Haakenson, Program Coordinator, Interdisciplinary General Education Program  
Dr. Aaron DeRosa, Faculty Director for Undergraduate Studies and General Education

**DISCUSSION:** The change made does not affect the course’s ability to meet the GE Sub-areas A2 and C2 requirements. No revisions of the ECO were requested. The GE Committee discussed whether name changes constituted a minor revision and if we should move forward with the requested changes during the GE pause. After consulting with the IGE Program Coordinator, Dr. Haakenson, we concluded as a Committee that the requested changes were minor and that any substantive changes would be handled in future review of the courses.

**RECOMMENDATION:** The GE Committee unanimously recommends approval of IGE 1100 – Who Am I?: Understanding Ourselves, Our Communities, and Our Worlds (GE Sub-areas A2 and C2).
