Is there a deadline by when this referral needs to be considered by the Academic Senate?:

Deadline Date:

Justification for deadline:

BACKGROUND:

Explore the dynamic relationship between science, technology, and human well-being, emphasizing how scientific advances shape and are shaped by culture, society, and human values. Critically examine the ways technological and scientific developments shape health, well-being, and everyday life, from personal decision-making to global challenges. By integrating scientific inquiry with real-world issues, foster both intellectual growth and practical skills relevant to informed citizenship and lifelong well-being.
