**Keywords:** BIO, 2022, Health, Equity

**Is there a deadline by when this referral needs to be considered by the Academic Senate?**

**Deadline Date:**

**Justification for deadline:**

**BACKGROUND:**

This course critically examines how race, ethnicity, and systemic racism shape health outcomes and public health responses. Through a community-responsive and culturally sustaining framework, students will explore historical, structural, and lived realities that impact the health of Black, Indigenous, Latinx, Asian American, and other marginalized communities. Informed by community knowledge and experiences, we will assess inequities, analyze institutional power, and co-develop strategies for systemic change.
